MID SEASON NEWSLETTER

What a great season we have all been having. It's fantastic to see our teams doing so well. Many thanks to all our players, Coaches, Managers and parents for making Football so much fun.

GYMPIE DIGGERS FOOTBALL COMMITTEE POSITIONS

All members, players, parents and interested parties will soon have the opportunity to nominate for the 2011 Gympie Diggers Football Inc. Committee.

There will be several positions where the incumbent Committee Member is not seeking re-election, and therefore will not be accepting nomination. This provides an excellent opportunity for keen and interested persons to seek a worthwhile and personally rewarding position on the Committee and make a difference.

There will also be positions available in relation to our fundraising at the Muster. We would like any interested persons on contact us now so that we are able to train them at this years Muster. It is now a matter of urgency as we desperately need new people to step up to the plate as our existing committee members have been doing this for many years and will not be doing it next year. The Club receives a lot of money from this fundraising and we would not be able to keep the Club at the same standard without these funds.

Please contact any of the current committee members. We will be advising the positions on our web site shortly. We look forward to hearing from interested people in the near future.

GYMPIE MUSTER

The muster is fast approaching and we are desperately seeking volunteers to help us. We collect cardboard and empty wheelie bins from the stage areas. By volunteering for a shift you are entitled to a full day entry to the muster, so you are able to enjoy all that the muster has to offer when you have completed your shift. Diggers will also provide you with a meal and drinks. Please contact Henry Walker 5482 4590 / 0400 067 254. Your club needs you now.

HERVEY BAY WIDE BAY 8-10 CARNIVAL

It was fantastic to hear what a great time everyone had at the carnival. Thanks to parents, players, coaches and managers for making it a worthwhile experience. Looking forward to playing again next year.

END OF YEAR BREAK UP

The committee would like your thoughts on your end of year break up. In the past we have had the break up at the club house and the town pool. We ask if you could let your coach know which venue you would prefer or if you have a suggestion of your own. The committee looks forward to hearing your thoughts.

CLUB JUMPERS

The club has some wonderfully warm fleecy jumpers for sale. Just what you need for these cold winter mornings. Please check the web site or phone Vicki on 5484 3512.

SPONSORS

We thank our major sponsor Cooloola Civil Constructions for their continued support. This Sponsorship has resulted in the purchase of new strips. We would also like to thank our other sponsors, Cold Rock Ice Creamery, Bembrick Accounting Services and IGA.
