## TEAM PHOTOS

The price is \$10 each for A4 heavy-duty laminated team photo print with names. \$5 for individual photos taken on the day, also A4 heavy-duty laminated photos. The Club gets a complimentary copy of each team's photo for records.

Photos will be taken from the first weekend after the holidays, until everyone is covered.

Photos will fit in nicely with each respective team's playing times and can be spread across several weeks if need be, to accommodate any inclement weather. All photos can be available within 14 days of the shoot date. Thanks.
